Captivations turns 21 and we're celebrating

Thank you to all the clubs and schools who have helped to make us the leading netball uniform supplier in Australia.

Our history

Originally known as the Captivations Cap Warehouse, Captivations soon developed into a supplier of much more than customised caps and hats.

Since Ben and Lou Beard took over the business, they have added even more products so that netball clubs and netball school teams can get a full range of uniforms, club bags, socks, towels, t-shirts, outerwear and much more: all customised to your team colours and logo.

Number 1 netball uniform supplier

We pride ourselves on being the best supplier of netball gear because we know that all our customers love the quality (and prices) and our prompt delivery.

Our customers are our focus and our aim is to give every customer our undivided attention to detail. It works.

"After three seasons doing business with Captivations. I want to thank you for the excellent service and support given to our club. From our biggest job - bodysuits, polo tops, jackets, headbands, new design visors and scarves - you have done a tremendous job". We'll be back!

Joan, Haberfield Netball Club

Breaking News

These are tough times. Everything we buy has increased in price. That's why buying quality is important and we guarantee long-lasting, great wearing netball uniforms.

Poor performers falling away

For netball suppliers, the tough times are taking their toll on those custom uniform suppliers who are not performing.

Legally we can't mention names but we know of three sportswear companies who have closed their doors. Sadly, some netball clubs were caught in the middle: having paid for their uniforms, they didn't get them.

Our guarantee to you

We are here for the long term. In fact, our business has increased over the past few years. Our motto is: look after your customers and your business will flourish.

That's why we can guarantee that your order will be delivered on time. We can suggest designs for your club uniforms and apparel, and give you the best price.

We guarantee you won't be disappointed.

Take the quiz

Here's a quick quiz to see how your current supplier is performing.

Does your current supplier deliver the correct product? Y/N

Can you always contact your existing supplier? Y/N

Does your current supplier provide dispatch dates on uniforms? Y/N

Are your orders delivered on time? Y/N

If you answered 'no' to any of these questions, please call Captivations for free sample and free quote for your netball uniforms, sports and promo products.

You don't have to put up with crap service

We can replicate your existing designed uniforms and provide good old fashioned customer service.

We'll make sure you get great fitting sports uniforms in sports fabrics that wick away perspiration. Your players will look great and perform to their best in Captivations netball uniforms.

"Thanks for the great job you did on the netball dresses for Yaralla Netball Club. We have had nothing but great comments and feedback. The girls all looked fantastic in them. They love them. We have had a good response on the jacket and polo and will be placing orders by mid April".

Karen, Yaralla Dynamics

"Everyone just loves the netball dresses. Most of the girls didn't want to take them off. My 16-year old wore it the whole night after training".
